QUALITY POLICY

Allasso aims to provide defect free products to its clients on time and within budget.

Allasso operates a Quality management System that has gained BS EN ISO 9001:2008 certification, including aspects specific to ground stabilisation specialists.

The Management is committed to:

- Develop and improve the Quality Management System
- Continually improve the effectiveness of the Quality Management System
- The enhancement of client satisfaction

The Management has a continuing commitment to:

- Ensure that client needs and expectations are determined and fulfilled with the aim of achieving client satisfaction
- Communicate throughout the Organisation the importance of meeting client needs and all relevant statutory and regulatory requirements
- Establish the Quality Policy and its objectives
- Ensure that the Management Reviews set and review the quality objectives, and reports on the Internal Audit results as a means of monitoring the processes and the effectiveness of the Quality Management System
- Ensure the availability of resources

The structure of the Quality Management System is defined in the Quality Manual.

All personnel understand the requirements of this Quality Policy and abide with the contents of the Quality Manual.

Allasso complies with all relevant statutory and regulatory requirements.

Allasso constantly monitors its quality performance and implements improvements when appropriate.

This Quality Policy is regularly reviewed in order to ensure its continuing suitability.

Copies of the Quality Policy are made available to all members of staff. Copies of the minutes of Management reviews or extracts thereof are provided to individual members of staff in accordance with their role and responsibility as a means of communicating the effectiveness of the Quality Management System.

Signed

Leo Plant
Director
